

SCHOLASTIC ACHIEVEMENTS

- **99.68** percentile in **GATE** in Electronics and Communication among **1,52,318** candidates (2016)
- Secured an all India rank of **7578** in **AIEEE** (2012)
- **3rd** runner up in **national level** abacus competition by SIP-INDIA (2008)

MAJOR PROJECTS AND SEMINAR

- **M.Tech Project: OpenFlow Router with eBPF Forwarding Engine** (May'19 - Present)
Guide: Prof. D. Manjunath, IIT Bombay
Objective: Create a fast data plane forwarding device for small to medium networks.
Completed work: Put together the functional requirements of controller and switch.
Ongoing & future work:
 - Using POX controller to communicate with OpenVSwitch via OpenFlow protocol.
 - Using eBPF in kernel space as backend for fast packet forwarding, and less number of packet copies.
 - Implementing a level-compressed TRIE for fast lookup.
 - Porting the entire system to a SPARC processor on FPGA, as a prototype for IoT deployment
 - Benchmark testing of the system
- **Seminar: Open Source Router** (Jul'18 - Dec'18)
Guide: Prof. D. Manjunath, IIT Bombay
 - Studied Click Modular Router, Extended Berkeley Packet Filter, Network Processor Architecture and Software Defined Networking(SDN)
 - Implemented a basic version of Click modular router, to work as an ethernet switch.

WORK EXPERIENCE

- **Software Developer | Nykaa** (Jun'16 - Jul'17)
 - **Responsibilities:** Involved in development of product listing, search, and checkout domains of the website.
 - Closely worked with Marketing team to strategically place tracking tags at numerous locations of the website.
 - **Softwares used:** HTML, Javascript, jQuery, Magento Framework, PHP
- **Teaching Assistant: Communication Networks | IIT Bombay, IIT Dharwad** (Jan'19 - Apr'19)
Instructor: Prof. D. Manjunath, IIT Bombay
 - Created and evaluated **7** lab experiments, based on **wireshark** and **socket programming**.
 - Work also involved **traveling**, setting up lab experiments and evaluations at **IIT Dharwad**.
- **System Administrator | Electrical Department, IIT Bombay** (Jul'17 - Present)
 - Development of EE department website, Dashboard, and maintaining numerous portals like faculty search committee, meeting room booking system, faculty wiki pages and TA allotment portals.
 - Provide mail service, storage space, computing and network facilities to the Department.
 - **Automation** of admission process through web based services and **Bash Scripts**

KEY COURSE PROJECTS AND SEMINAR

- **Simulation of Cellular system in MATLAB** (Jan'18 - Apr'18)
Instructor: Prof. Abhay Karandikar, IIT Bombay
 - Computed **SIR, blocking probability** for different cluster sizes and **sectoring**. Analyzed **handover** process and **ping-pong** rate for different user mobilities and hysteresis values.
 - Analyzed BER performance for **space and time diversity** in a slow, flat fading Rayleigh channel.
 - Analyzed BER performance for a **single-cell** and **multi-cell** scenario in a **CDMA** cellular system.
- **Different Scheduling Schemes in LTE** (Jan'18 - Apr'18)
Instructor: Prof. Abhay Karandikar, IIT Bombay

- Simulated channel aware schemes: Maximum Throughput (**MT**), Proportional Fair (**PF**), Throughput to Average (**TTA**) scheduling schemes in LTE Downlink.
- Used Cell Throughput, Average user throughput, and Jain Fairness Index as metrics to compare the scheduling schemes.
- **Basic Image Editor** (Jul'18 - Nov'18)
Instructor: Prof. Amit Sethi, IIT Bombay
 - Developed a Web based, cross platform GUI to perform operations on images
 - Showcased Histogram Equalization, Log Transform, Gamma Correction, Blurring, Sharpening, Median filtering techniques in the application.
 - Implement full inverse filtering, truncated inverse, approximate wiener, and constrained least square filtering to deblur the input image
- **Image Dehazing through Depth estimation** (Jul'18 - Nov'18)
Instructor: Prof. Amit Sethi, IIT Bombay
 - Estimated Depth of a scene, using Color Attenuation Prior (**CAP**) and Dark Channel Prior (**DPC**).
 - Using the estimated depth, reconstructed a haze-free image based on atmosphere degradation model
- **House sale status classification** (Jan'18 - Apr'18)
Instructor: Prof. Amit Sethi, IIT Bombay
 - Based on the input attributes, classified house sale status
 - Used Random Forest, Support Vector Machine (SVM), Perceptron, Gaussian Naive Bayes Algorithm, and K-Nearest Neighbour Algorithm classification models
 - Grid Search, and Cross validation were done, for a subset of hyper parameters for each model, to increase cross validation accuracy
- **Implementation of DBSCAN Algorithm from scratch** (Jan'18 - Apr'18)
Instructor: Prof. Amit Sethi, IIT Bombay
 - Developed a program in python which will take a csv as input and give labels of each datapoint as output, depending on the hyperparameters that are set.
 - Utilised the implementation as a backend process for a web based GUI, which clusters data points and labels them, each cluster having a different color.

KEY COURSE PROJECTS AND SEMINAR

Languages	:	C, C++, Bash Scripting, HTML, Javascript, jQuery, PHP, Python
Tools	:	Matlab, GNU Radio, L ^A T _E X, Git, Wireshark
Frameworks	:	Magento, CodeIgniter

RELEVANT COURSES

- Digital Message Transmission
- Wireless and Mobile Communications
- Information Theory and Coding
- DSP and its Applications
- Image Processing
- Statistical Signal Analysis
- Introduction to Machine Learning
- Applied Linear Algebra
- Communication Networks

POSITIONS OF RESPONSIBILITY

- **Web Secretary** | *Hostel 1, IIT Bombay* (Jul'17 - Jun'18)
 - Development and Maintenance of Hostel 1 Web site, and Computers.
- **Student Companion** | *Institute Student Companion Program, IIT Bombay* (Jul'18 - Jun'19)
 - **Mentored** 7 M.Tech students by providing continuous help and support throughout the year
 - Played a key role in Department orientation, which included course registrations, informal sessions and lab visits for PG and PhD freshmen in *Communication Engineering* specialisation.
- **PG Bridge Course Overall Coordinator** | *Electrical Department, IIT Bombay* (Jul'18)
 - Organised a week long program for the **academic upliftment** of PG freshers.
 - Executed the program effectively in **parallel to regular academics** for more than **100** students.
- **Web Nominee** | *Post Graduate Academic Council, IIT Bombay* (Jul'18 - Jun'19)
- **Web Coordinator** | *Students' Reading Group, Electrical Department, IIT Bombay* (Jul'18 - Jun'19)

OTHER ACTIVITIES & INTERESTS

- **Volunteered** for **Python** workshop by PGAC, IIT Bombay (Oct'18)
- **Volunteered** for **Linux** workshop for Electrical Department PG Bridgecourse, IIT Bombay (Jul'19)
- **Hobbies:** Watching TV series, solving puzzles, chess, snooker
